Mrs. Vashti Hornberger

Dear Mrs. Hornberger:

Mr. Allen Dulles, on behalf of Mrs. John Foster Dulles, has asked me to acknowledge your letter of 24 June 1959 and to express her appreciation for your sympathetic message on the passing of her husband.

In response to your request for permission to use a quotation from an article by the late Secretary of State which was printed in THIS WEEK of 13 July 1958, it is regretted that your request cannot be granted. There are many such requests of various nature to quote the writings of Mr. Dulles and pending a determination of how to handle such requests Mr. Dulles is not able to give approval.

Your courtesy in writing to Mrs. Dulles to check on this matter is appreciated.

Sincerely,

Executive Officer
